RATTLESNAKE BITE ON HAND

J. J. BOWES, SR., WHILE PICKING GRASS AT GOULDING HOME, SUFFERED PAINFUL AND VERY DANGEROUS WOUND.

J. J. Bowes, Sr., residing at Brent's station, is suffering from the effects of a snake bite, but numerous friends will be pleased to learn that the danger point has been passed.

Mr. Bowes was pulling up grass in his yard at Brent's Friday when he felt a sharp pain and saw a small ground rattlesnake, a most poisonous serpent. The snake had buried its fangs in one of Mr. Bowes's fingers. He took in the situation at once and hurried to town for expert treatment. Before he reached Pensacola, however, the bitten finger had swollen considerably and necessarily caused Mr. Bowes much pain. At last reports he was doing finely.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

One dollar bottles guaranteed, despite the most beneficent environment of soil—of sunshine—and of atmosphere—seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out. Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

A MERIDIAN BUNCH COMING FOR 3 GAMES

MANAGER VUCOVICH CLOSED LAST NIGHT FOR SERIES WITH FAST NINE FROM MISSISSIPPI, SAID TO HAVE WON EVERY GAME PLAYED.

Manager George Vucovich at a late hour last night received a wire notifying him that a semi-professional team of Meridian, Miss., had accepted terms offered and desired three games with the Pensacola beauties. A deal was immediately closed and the Meridian team will cross bats at Magnolia Bluff for three games with locals, playing each afternoon of Wednesday, Thursday and Friday.

Information from Meridian has it that out of a number of games played by the team to come here not one has been lost. Should this prove true, the locals will have to work hard to take either one or all of the series.

KLING DOES NOT MIND BEING BARRED

By Associated Press.

Chicago, Sept. 11.—John Kling, who may be barred from professional baseball for three years for participating in "semi-pro" games, appeared little concerned over his predicament last night.

"Let the national commission enforce its rules. I can't stop them if they want to bar me from organized baseball for three years simply because I played against Calahan's team," he said. "It matters little with me. I am out of the big league for all time and hereafter will devote my time to business interests. When the fancy strikes me, I will play a little semi-pro ball. There is a good field in Kansas City and I have done well with the local clubs this season. My efforts in the future will be to build up my business."

CHICAGO CUBS IN TRAP AT PITTSBURGH

By Associated Press.

Pittsburgh, Sept. 11.—It has developed that the Chicago Cubs walked into a trap here in the game which President Murphy of the Cubs has protested.

They were not aware of the fact that every action which now comes before President Heydler, of the National League, by reason of the protest of Murphy, was beheld by the National League executive as it occurred and it also developed that he had informed Umpires Klem and O'Day at the conclusion of the series that they had not been severe enough during the game and that they should have put out more players than they did.

Heydler was known to be at the Labor Day games, but as he left the hotel where he had been stopping that night, it was presumed that he had gone to New York. He had not, however, for he sat in the grandstand during the other two battles of the series, although neither the players or officials of either team knew he was present.

This explains the reason for the firing of Steinfield, who, to the surprise of the attendants, was a sufferer in the sentence which imposed fines by telegram from New York headquarters upon Tinker and Chance. Steinfield had not been banished from Tuesday's game as these two were, and when the fine was announced, many were at a loss to account for the cause of his punishment, but it developed that he had been heard by Heydler making a wordy attack upon Klem after the game was over.

Chamberlain's Colic, Cholera and Diarrhoea Remedy is today the best known medicine in use for the relief and cure of bowel complaints. It cures griping, diarrhoea, dysentery, and should be taken at the first unnatural loosening of the bowels. It is equally valuable for children and adults. It always cures.
